NO FLIGHTS BY BIG WAR BALLOON

TWELFTH BALLOON COMPANY CHANGES CAMP TO THE FAIR GROUNDS THIS MORNING

TO REMAIN TILL FRIDAY

Lack of Prearrangements For Shipment of Hydrogen Makes Flight Improbable — Service Offers Many Opportunities

The Twelfth Balloon Company Motor Transport Convoy, which arrived in this city yesterday afternoon, moved to the Fair grounds today where they will remain until Friday morning, carrying out their recruiting program. A special order was received by Capt. McKinley late yesterday from Fort Omaha giving him permission to remain here the extended time owing to the Fair.

Captain McKinley stated this morning that it was probable that no ascensions will be made during the stay here. "It requires practically a car load of hydrogen tubes to fill the bag," he said, "and as no arrangements have been made to secure the gas I do not think we will be able to make the flights."

The company is in commaund of Captain A. C. McKinley and Lieutenants Neeley and Jordan. The company roster includes the following enlisted men:

Sergeants, first class, Starkey and Law; Sergeants DeNyse and Leffard; cook, Deford; Corporals Maske, Belder, Morris, Siegrist, Sikes; Privates Andridge, Berner, Cavric, Cuhel, Deering, Dunn, Farmer, Fletcher, Grider, Hansen, Hensman, Hudspeth, Jung, Jurkowski, Knute, Lathrop, Laville, Lukehart, Meschievitz, Neal, Nelson, Nichols, Norlem, Tara, Thomas, Thompson, Wood, Zalot; Corporal Albin L. Anderson; Private, first class, Norman Curtis.

The entire company was entertained at luncheon today at noon at the Bainum hotel by the Knights of Columbus of Maryville.

After the dinner, James Cummins made a address to the men. He was fol lowed by short talks by each of the officers, Captain A. C. McKinley, and Lieutenants James T. Neeley and James C. Jordan, who told of the appreciation of the men.

Yesterday several of the soldiers were guests of the local K. C. motoring to the site of the Boy Scout camp near Skidmore where a swimming party was held.

This organization saw considerable service in action overseas. It took part in the St. Mihiel offensive and has been cited in orders three times. One of the officers received a Distinguished Service Cross, and nearly all of the personnel have been through shelling and carried on observation in the air under fire.

The diary of the company, kept during the whole overseas tour, is very interesting. It describes the loss of two observers who, in one balloon, were blown into Germany by a strong wind; mentions the experiences of observers who jumped under fire, and relates the story of the day that the balloon and the whole company were shelled, including a direct hit on the balloon..

The object of the tour which the company is making is to secure new recruits to bring it up to its authorized strength of 200 men. The demand is especially urgent now, for trained men in the following branches:

Auto mechanics, balloon riggers, blacksmiths, buglers, camera repairers, carpenters, chauffeurs, chemists, clerks (typists), cobblers, cooks, draftsmen, electricians, engine repairmen, fabric workers, gas works men, instrument repairmen, machine gunners, machinists (general), meteorologists, motorcyclists, photographers, plumbers, radio operators, telephne linemen, telephne operators, truck masters, welders, winch mechanics, wood workers.

Applicants are being accepted for service in ... Philippines, canal zone, Mexica, oorder and various parts of the United States.

The balloon which is being carried by the company is a giant rubber bag of the dirigible type. The hydrogen which is used to inflate it is shipped in tubes and costs $3.50 a thousand cubic feet. The bag contains 35,000 cubic feet, making a total cost for each inflation $122.50. The lifting capacity of the balloon is 2,520,000 pounds when fully inflated at this level above the sea. The lifting power decreases with the height.

The basket of the balloon contains the instruments used in observation and in addition two parachutes which are to be used by the observers in case the balloon is destroyed.

Six quad trucks comprise the train which arrived here yesterday.

A complete miniature army camp is thrown up by the company at each stop, the mess kitchen, headquarters, etc., being carried on wheels.

The commercial demand for trained men in this line will soon exceed all others—and the demand is greater than the supply right now—and will continue so.

The commercial companies must have trained men. The cannot take them and train them as can the Army. Therefore the supply to operate these companies must come from the Service. An unparalleled chance for those who fit themselves for it. It is those men who are far-sighted enough to grasp new opportunities wha make themselves famous—no one will do it for you—it's up to you—and the pay is good while you are learning. Clothes, food, quarquarters, medical and dental services all free.

Then there is the wholesome association of real men—the friendships you make, the athletics and games, the good times you have, and the pride of belonging to the best Service in the world.

AMERICAN RESCUE WORKERS TO OPEN GOSPEL MISSION HERE

Staff Capt. Signer and Mrs. Signer Already Here and Capt. and Mrs. Ohren Johnson Expected Soon

Staff Captain C. Signer, district officer for Nebraska, South Dakota and Kansas, and Mrs. Signer of the American Rescue Workers, formerly American Salvation Army, have arrived in Maryville to establish headquarters here for Northwest Missouri and Southwest Iowa. Temporary headquarters have been established at 603 Normal avenue.

Mrs. Signer, upon the advice of doctors, has gone to St. Louis to undergo an operation for her eyes. She is expected to return in two weeks, accompanied by Capt. and Mrs. Ohren Johnson and two accomplished musicians and gospel workers.

Captain and Mrs. Signer are old and experienced mission workers and highly recommended. They have been in this kind of work for twenty-seven years.

A gospel mission will be opened here as soon as the rest of the party arrives. Mr. and Mrs. Clyde Brougham and Mr. and Mrs. George Brougham, members of the organization, are expected to arrive here in a few days from Yorkton.

Dorothy Glenn, the little daughter of Mrs. Edith Glenn of Elmo, underwent an operation for adenoids this morning at St. Francis hospital.

The following stores will be closed from 1 o'clock p. m. to 5 o'clock, Wednesday, Thursday and Friday to attend the Fair.

It is a red blooded American play with a great idea behind it.

TONIGHT—Harry T. Morey, in "BEATING THE ODDS"

IS PROFITEERING DONE IN COUNTY?

ACTING GOVERNOR ASKS INVESTIGATION BE MADE TO FIND OUT

WILL CALL GRAND JURY

Judge Dawson and Prosecuting Attorney McCaffrey Will Confer On Advisability of Calling Jury

Wallace Crossley, acting governor of Missouri, in a letter to Charles McCaffrey, prosecuting attorney, today asks that steps be taken for immediate investigation into the cost of living in this county. If there has been artificial inflation of prices and profiteering legal action is ordered to be taken immediately in prosecuting the law violators.

McCaffrey stated in an interview today that Judge Dawson and himself would confer soon over the calling of a grand jury for the purpose of investigation and prosecution.

The acting governor's letter in part has the folowing import. War and the high cost of labor are no longer tenable grounds for explaining the unusual costs of living materials. Human selfishness and greed are factors that are playing an important part in wholesale profiteering that is going on over the country.

If there is artificial inflation of prices in this county it must be stopped and, if there is not, then a thorough investigation of matters will relieve the business men of this county from the stigma of criticism that has no foundation. In that way an investigation will satisfy the fears of the people and be a boon to the honest business man.

Throughout the war the officials of this country lent their patriotic services to the country unreservedly to win the war. But there is a patriotism of peace as well as a patriotism of war.

The method suggested for getting results is the calling of a grand jury to pass on evidence secured by the prosecuting attorney as is the custom of law. The moral result from such an investigation will be of great value.

REV. FERGUSON PREACHES A SERMON AT WALKUP'S GROVE

His Subject Concerned the $175,000,000 Campaign of the Baptist Church Now On

The Rev. W. C. Ferguson of the First Baptist church delivered a sermon at the Walkup's Grove Baptist church west of Skidmore yesterday. The topic of his discussion had to do with the $175,000,000 campaign which is being carried on by the Baptist churches of America.

Rev. Charles Durden of the First Baptist church of East St. Louis is holding protracted meetings at the Walkup's Grove Baptist church. A church ruling has been adopted whereby a special address must be delivered at every protracted meeting, telling of the $175,000,000 campaign.

ENGLISH POLICE DISCOVER RED LITERATURE IN RAID

Investigation Follows Riot in Action in Which Bolshevik Propaganda is Uncovered

London, Aug. 12.—A great quantity of seditious literature was seized when the police raided a barricaded house in Holborn early this morning. This followed a riot in Acton yesterday in which Bolshevik pamphlets appealing to workers were found.

Maryville Soldiers Home.

Ed Condon, son of Mrs. B. E. Condon, arrived home this noon from France, where he had been in the service for over a year. Since last November he had been with the military police and prior to that was a member of the 35th division. He received his discharge at Camp Taylor, Ky.

Roy Yeaman also returned home this noon, having received his discharge at Camp Taylor. He had been in overseas service since last fall.

Christopher Farnan of Bolckow was appointed administrator of the estate of Matthew Farnan, who died at his home in Conception Junction on July 26, by Probate Judge Robertson today.

FRENCH REFUSE AMERICAN PASSAGE ON PEACE TRAIN

Gen. Bandholtz Notified at Last Moment There Was No Room For Him on Allied Special to Budapest

Paris, Aug. 12.—It was learned today that General Bandholtz, the American member of the Allied mission to Budapest, was prevented by the French from accompanying the other members to the Hungarian capital on the special train run by the French. At the last moment he was notified that there was no room aboard for him.

The Americans overlooked the incident and immediately secured a special train from the Austrians, bearing the Allied special to Budapest.

RAIN FAILS TO HALT BIG FAIR

GOOD SIZED CROWDS AT THE GROUNDS THIS AFTERNOON

LIEUT. BURKE—AVIATOR

Hot Judging Contest Feature of Afternoon Bill—Horse Races Scheduled at Three O'Clock

With all the exhibitors, special attractions and concession men settled into their places, and with the slight rain of the morning just enough to settle the dust and cool the atmosphere, Nodaway County's annual Fair started in earnest this afternoon. A fair sized crowd was within the gates at 2:30.

The horse races, scheduled to begin at 1:30 o'clock this afternoon were postponed until 3 o'clock to permit the track to be worked into condition following the rain. While the workers were grooming the track into shape, the feature attraction of the early afternoon was the Hog Judging Show. Among the exhibitors in this event are: Paloud China—F. P. Robinson of Maryville and A. L. Aeur of Conception Junction.

Chester White—J. H. Harvey and Mose Hahn, both of Maryville; Spotted Poland China—G. F. Lawson, of Ravenwood; Hampshire—G. F. Lawson, Ravenwood. The results of the contest will be announced late this afternoon.

Among the exhibitors in the Floral Hall booths are: The Dan Snoderly Piano Company; Haneey Piano Company, of St. Joseph; Moore Brothers Lightning Rod Company; Allen Brothers Land Company; DeBorah's Art and Gift Shop, of St. Joseph; Singer Sewing Machine Company and the Vitalized Agriculture exhibit of the Nodaway County Rural Schools. On the upper floor of Floral Hall is arranged a sewing and home vocational exhibit.

The vitalized agriculture demonstration which was scheduled to be made this afternoon by the Nodaway County school children was postponed due to the inability of the children to reach Maryville because of the rain. The demonstration will be a regular part of the Fair tomorrow afternoon and every afternoon during the remainder of the week.

Lieutenant William A. Burke, of the United States Aarmy Air Service, arrived in Maryville yesterday and is making preparations for flights in his Laird-Tractor plane at the Fair grounds Thursday and Friday afternoons.

Due to an unaccountable error, the flights are billed to be made by Lieut. Mills.. Lieutenant Burke is the only aviator who will appear at the Fair.

Lieutenant Burke was in the flying game several years before the war, doing exhibition work. At the outbreak of the war he entered the service as a pilot and instructor.

His flying program constitutes all the army stunts and acrobatics used in air fighting. He has one of the smallest and fastest fighting and speed planes made. The Laird-Tractor is the type used on the fighting front especially for scouting and observation work.

On account of the rain this morning the judging of the jacks and mules and the judging of the poultry

INDORSED LEAGUE AND PRESIDENT

DEMOCRATIC STATE COMMITTEE WENT ON RECORD YESTERDAY AT ST. LOUIS

DEMOCRATS TO VOTE ON IT

Primaries to be Held August 30 to Express Whether They Are For the League or Senator Reed

The Democratic state committee in session at St. Louis yesterday indorsed the League of Nations and renewed confidence in President Wilson. The resolution stated that Senator Reed by his actions in this crisis is not in harmony with the sentiments of his party in the state. A demand is made upon him "to vote for the League of Nations without reservations or modifications and for the covenant as now pending before the senate in toto, and to which the Democratic party in the state is committed."

The authority of the committee to take such action was challenged by a letter from Senator Reed and read by Joseph B. Shannon of Kansas City. Reed in his letter broadly asserted that any action the committee would take would not be binding on him or the Democrats of Missouri; that the duties of the committee were wholly executive and had nothing to do with legislation or party policy; that party politics are indicated and set forth by the party in convention assembled.

This point, the authority of the committee, was recognized by the committee. The resolutions committee gave it consideration by ordering the city and county committees of the state to call primaries to be held on August 30, at which Democrats by their votes can give expression as to whether they are for the League of Nations or favor the stand taken by Senator Reed. Should the decision be in favor of Reed, the alternative is left to the committee to call a state convention of delegates to further discuss the question.

On the adoption of the resolutions, Senator Reed had only one man on the committee who stood by him. This man was his personal representative, Emmett O'Malley of Kansas City.

Even Joseph B. Shannon deserted at the trying moment. When his name was called he asked to be passed and did not vote. He also held the proxy of an absent member of the committee from the Fifteenth district, a Mr. Warren. Shannon hesitated when Warren's name was called and hastily conferred with a crowd that gathered around him.

"I have heard that Warren wants me to vote aye, and that is the way I want to vote," Shannon said.

Mayor Cowgill of Kansas City sat with the committee on a proxy of an absent committeeman from the Third district, and he voiced a loud aye in support of the resolution.

The vote on the resolution was: ayes, 29; nays, 1; absent, 1; passed,1.

The committee was slow in getting under way, owing to the belligerent attitude against Reed by Faris, Col. E. M. Harber of Kansas City and other rabid pro-leaguers. Faris and Harber wanted to make Reed the prime issue, and to that end Faris drew up a resolution against the senator which was a sizzler from start to finish. It demanded not only the reading of Reed out of the party, but demanded that he tender his resignation.

Ben M. Neale, chairman of the committee, said it was not within the province of the party to read any man out of it, and in support of his attitude called in Mayor Cowgill, National Committeeman Goltra, Joseph W. Folk and other shining lights. They took the Neale end of the argument and finally soothed Faris by permitting him to draw a modification resolution telling Reed to get right.

"Well, we'll know more about it when Democrats vote on August 30," said Faris. "If it is repudiated by the voters I'll not desert my party like the gentleman from Kansas City says he will do if it is endorsed. I will say, 'Faris, you are a fool; get right with the majority'."

J. J. Heifner of Maryville, who attended the committee meeting on the proxy of George Robb Ellison, will return from St. Louis this evening. The committee was in session until late last night.

Postmater Clyde Perkins of Barnard came to Maryville today to attend the fair.

SERB CRISIS FORCES THE RESIGNATION OF PREMIER

M. Davisovitz Commissioned to Form a Coalition Cabinet—Premier Proti Forced Out

London, Aug. 12.—The new Serbian cabinet crisis has forced the resignation of Premier Proti at Belgrade, said an Exchange telegraph dispatch from Vienna today. M. Davisovitz has been commissioned to form a coalition cabinet.

G.O.P. MENTIONS U.S. REVOLUTION

"IF WE MUST HAVE REVOLUTION, LET IT COME," IS STATEMENT

POINT TO RAIL TIE-UP

Declaration Made by Publicity Association That Ominous Situation Looms if Plumb Plan is Not Complied With

Washington, Aug. 12.—"If we must have a revolution, let it come now to determine at once whether a government by majority is to survive," is the closing paragraph of a statement issued today at the Republican Publicity Association, in which it is asserted that the threat of the tie-up of the entire railway system of the country looms ominously unless the demands of the railroad unions for higher wages and the enactment of the Plumb plan are promptly complied with.

LOS ANGELES SALOONS REOPEN WITH 2 3-4 BEER

Many Soft Drink Parlors Selling Slight Alcoholic Beverage—Licenses Being Issued

Los Angeles, Aug. 12.—A number of saloons, which have been closed since Los Angeles went dry in April 1918, opened today, selling 2.75 beer and many soft drink places are selling it. Under the opinion of the city attorney licenses may again be issued.

CARNEGIE'S GRAVE TO BE AT SLEEPY HOLLOW

Steel King and World's Greatest Philanthropist to be Laid to Rest in Famous Spot—Funeral Thursday Morning

Tarrytown, Aug. 12.—In the country graveyard of Sleepy Hollow, made famous by the tales of Washington Irving, the body of Andrew Carnegie, steel king and the world's greatest philanthropist, will be laid to rest. Following the funeral services at his summer home in Massachusetts on Thursday morning.

GIRLS! YOUR CHANCE!

Urbana, Okla., Aug. 9.—Ed Heath of this city wants a wife, and Ed isn't very particular, at that.

Here is his ad in a local paper: Wanted—A wife. Will be pleased to hear from any girl who is willing to work. Disposition makes no difference. Ed Heath, Urbana, O.

Having purchased the Protzman Barber Shop under First National Bank, we are ready for your business.

WILL STEELE.

NOTICE TO ICE CONSUMERS

Owing to the delivery men wanting to attend the fair there will be no ice delivered in residence district Tuesday and Thursday of this week.

DECIDE TODAY ON RAIL DEMANDS

CONVENTION AT CLEVELAND TO FORMULATE DEMANDS TO THE RAILROAD ADMINISTRATION

SITUATION IS UNCHANGED

Vice President of Boilermakers Union Pleads With Strikers to Return —The Frisco Workers at Springfield Return

Cleveland, Aug. 12.—Wage demands which are soon to be presented to the railroad administration will be decided upon at a meeting of three hundred local chairmen of the Brotherhood of Locomotive Firemen and Enginemen, which opened here today.

Chicago, Aug. 12.—Mamaher, vice-president of the International Brotherhood of Boilermakers, will plead with the striking railroad boilermakers to return to work at a mass meeting of the strikers today. A large number are out on strike.

There was little change in the rail situation in the central and middle west today. A few of the men are returning to work but the majority are remaining out.

Springfield, Mo., Aug. 12. — Four thousand striking shopmen of the Frisco shops returned to work here this morning. The Frisco has removed all freight embargoes.

WILSON TOUR PENDING SETTLEMENT OF H. C. OF L.

Will Not Make Start of Speaking Tour of Country Until Congress Enacts Legislation

Washington, Aug. 12.—President Wilson probably will not start on his contemplated speaking tour until Congress has made a definite progress toward the carrying out of recommendations for legislation to bring down the high cost of living, it was stated at the White House today.

COMPLETE DEMOBILIZATION OF ARMY BY SEPTEMBER 1

Question of War Time Prohibition, Designed for War Time Conditions, Now up to the President

Washington, Aug. 12.—The actual demobilization of the army in so far as combatant troops are concerned will be practically completed by the last of October, Secretary Baker announced today. The annulling of war time prohibition designed only to last through the period of demobilization will therefore be entirely within the province of President Wilson before November 1, it is thought among officials.

DEMONSTRATIONS HELD.

Vitalized Agriculture Exhibits at the Fair a Popular Place.

Demonstrations are to be held daily at the vitalized agriculture booth in the Floral Hall at the fair. They are to be given by the pupils of the rural schools. The demonstration scheduled for today is on sewing.

Miss Eva Whitehead is in charge of the booth and her assistants during the week will be Misses Maud Whitehead, Alma Mack, Nellie Halasey, Mary Watson, Vida and Elva Heflin.

PRINCE OF WALES ARRIVES.

St. Johns, N. F., Aug. 12.—Prince of Wales arrived here at 11 o'clock this morning. The Prince came ashore at noon and was greeted by thousands.

WEATHER FOR TODAY

Partly cloudy and cooler tonight; possibly local thunderstorms. Wednesday generally fair and cooler.

Clearmont News.

The management of the chautauqua have received word that the dates of the Clearmont chautauqua have been changed from Aug. 13-17 to Aug. 19-23. Bear this in mind and get your tickets right away so the ladies can be prepared with the amount they have to pay down the day the chautauqua opens.

16,000 ACRES AT PUBLIC AUCTION.

The Dr. Rea Ranch, in the northwest corner of Stanton County, Kansas, is to be sold in 160, 320 and 640 acre farms to the highest bidder on Sept. 9th, 10th and 11th.

This land is deep, rich, black virgin soil; no sand; level or slightly rolling; plenty of good soft water. Wheat in this section produced twenty to thirty bushels per acre this year. This land has been owned by Dr. Rea for the past twenty years and the increased value of the land for farming purposes is the reason it is being offered for sale.

Take a trip with us to this sale. Address or call on G. B. Holmes Real Estate Co., Maryville, Mo., over Nodaway Valley Bank.

RAIN FALLS TO HALT FAIR

(Continued from page 1.)

was not held.

This evening, if the weather is favorable, a horse show will be held and the free attractions given.

The program for tomorrow includes the judging of draft horses, judging Hereford cattle, judging poultry, judg- hogs, all classes, judging Floral Hall exhibits.

The racing program for tomorrow afternoon is as follows:

Races—2:27 trot; 2:22 pace; ½-mile running race; ⅝-mile running race; ¾-mile running race, and an airplane flight.

The Christian church has a dining room tent on the ground and will serve meals each day.

Two of the largest exhibitors are the Lowry Implement Co., and the Maryville Motor Co., agents for the Dodge car. Both have big tents.

Picnic Breakfast for Guests.

Misses Julia and Martha Denny entertained with a 7 o'clock picnic breakfast this morning in the woods north of Maryville, in honor of their niece, Miss Evangeline Spickerman of Utica, Ill., and Miss Allene Thorpe of Lamar the guest of Miss Ruth Bookman. The party included Miss Spickerman, Miss Thorpe, Misses Ruth Bookman, Mabel, Evelyn and Laura Margaret Raines, Persis Hunt, Helen Hankins, Margaret Remus, Ora May Condon, Ruth Miller, Hattie May Woodward, Hilda Denny, Thelma Craig and the hostess.

Corn on the bottoms is said to be good this year, the dry weather affecting it but little. John Adkins' corn looks good enough for 60 bushels, but of course you cannot tell so early in the season.

45,000 PEOPLE AT STATE FAIR AT SEDALIA MONDAY

Sedalia, Mo., Aug. 12.—The official count of admissions at the state fair here yesterday was in excess of 45,000 the largest crowd by 5,000 ever assembled on the grounds in nineteen years of the history of the fair.

Wednesday is St. Louis day, and a delegation which will arrive at ten o'clock will be met by a committee of fair officials and Sedalia citizens.

Tractor plowing demonstrations will take place Thursday and Friday mornings under the national plowing demonstration rules, Guy H. Hall, secretary of Kansas City Tractor club, in charge. Two hundred acres will be plowed six and eight inche sdeep and eighty tractors will participate.

"OVER THERE" AT ELECTRIC TO BE SHOWN WED. NIGHT.

Anna Q. Nilsson, who is featured with Charles Richmond in the stirring patriotic Select Picture, "Over There," which will appear at the Electric Theatre on Wednesday of this week, is one of the most popular recent recruits to filmdom. Last seen with George M. Cohan in "Seven Keys to Baldpate," is a coincidence that she should lead in a photodrama named after his most famous song.

Miss Nilsson gave one army officer an excitingly realistic foretaste of service "over there." In the scene where she is riding with him on the front seat of a Red Cross ambulance along a road which the Germans are "strafing" with heavy gun fire, men were detailed to fling smoke bombs NEAR the fleeting ambulance—notice the emphasis. In their zeal, however, they hurled several bombs directly underneath the car. Only the speed of the ambulance prevented a serious accident; for if one of the bombs had exploded a couple of inches nearer to the gasoline tank, Miss Nilsson and the officer would have sailed skyward.

At the end of the wild ride Miss Nilsson emerged apparently unshaken but the officer, wiping the perspiration from his brow, ejaculated,

"Whew, some ride! But I suppose I might just as well get it here as over there."

LIVE STOCK MARKET.

Kansas City Stock Yards, August 11, 1919—The Cattle market today was strong to 25 cents higher, hogs up 50 to 75 cents and sheep 15 to 25 cents higher. Receipts fell below expectations as the strike among railroad shopmen was not settled until too late last week for shippers to get cars. The labor situation, railroad traffic and demand both from packers and shippers are normal again. Prime Nebraska steers sold up to $19.00, yearlings $18.00 and stock and feeding steers were 25 cents higher.

Today's Receipts.

Today's receipts were 16,000 cattle, 4,000 hogs and 7,000 sheep, 2,000 fewer cattle, 6,000 fewer hogs and 2,500 more sheep than a week ago, and 7,000 more cattle, 3,000 more sheep and 4,500 fewer hogs than a year ago.

Beef Cattle.

The bulk of the offerings today were suitable for killers. Fat steers sold up to $19 and several other loads brought $18 to $18.50, including yearlings up to $18. The bulk of the grass fed steers sold at $11 to $14.50, with wintered grassers up to $16.75. The bulk of the grass fed cows sold at $8 to $9.50, and heifers $9 to $13.50; fed heifers up to $15.75. Prices were quoted strong to 25 cents higher; top $15.50.

Stockers and Feeders.

Light receipts and improved shipping conditions added strength to the demand for stockers and feeders. Prices were strong to 25 cents higher.

Hogs.

Hogs prices rose 50 to 75 cents and the general trade was a scramble for supplies. Shippers were back in the market, and with light receipts, packers were eager to meet all competition. The top price was $22.75, and bulk of sales $22 to $22.75, a rise of $1.75 to $2 compared with the low point of last week. Two car loads of 300-pound Nebraska hogs sold at $22.75.

Sheep and Lambs.

Though receipts were larger than for some time past there was active demand for both fat and feeding grades of sheep. Prices were strong to 25 cents higher. Fat lambs are quoted at $15 to $16.50, wethers $9 to $10.50, ewes $6 to $9.25, feeding lambs 12 to $14.75, and breeding ewes $10 to $15.50.

Horses and Mules.

Auction sale days for horses and mules at the Kansas City stock yards will be changed to Monday and Tuesday, instead of Friday and Saturday as heretofore. This will take effect September 1st and no auctions will be held August 29 and 30. The last Friday and Saturday auctions will be held August 22 and 23. Strike conditions last week caused an easier tone in the market. Mules were quoted steady to $10 lower, and horses steady. August 22 five cars of farm-raised, unbranded, halter-broke South Dakota mares will be offered at auction.

CHARLES M. PIPKIN,
Market Correspondent.

What this diploma means to the women of Nodaway Co.

FIRST—

It means that the women of Nodaway County may receive at this corset department the authoritative advice of a highly trained corset expert. This service places you under no obligation.

SECOND—

Our graduate corsetiere is not only specially trained in all branches of corset fitting, but has made a careful study of the prevailing fashions in all branches of women's apparel.

THIRD—

The new fall fashions ask for a natural, graceful figure that can only be attained by the most careful corseting. This subtle relation between Gossards and the new mode can be convincingly demonstrated by our corset expert.

FOURTH—

A special course in medical fittings enables her to give competent attention to any special corseting which a physician may prescribe. She will serve you at the department, at the doctor's office, or at your home.

FIFTH—

This diploma assures the women of Nodaway County that they will find at this corset department that complete understanding of modern hygenic corsetry that guarantee them the ideal proportions of their figures types, with priceless comfort and safeguarded health.

Let our Graduate Corsetiere serve you—you'll notice the difference at once.

Wear Gossard CORSETS They Lace In Front

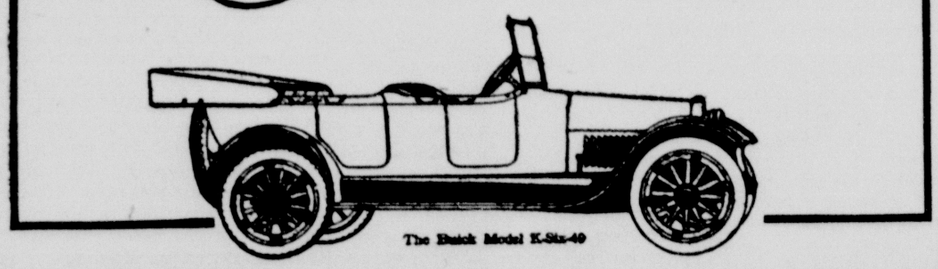
Courtesies Exchanged.

In the last issue of the Plunkville Patriot, Col. Walter Ebel, who looks like a cross between a stage pirate and an Armenian rug peddler, takes occasion to refer to us as a "string-halted skunk and literary safe blower." We consider such allegations beneath our notice inasmuch as it comes from a bat-eared jackass, but we wil here remark that if anything more like this is printed in our brother editor's paper, we will knock both of his terrapin eyes into one and place a royal Swiss sunset over each that will light up his town for the next six weeks.—Arkansas Thomas Cat.

Visiting in Minneapolis.

Mrs. Frank Barmann has gone to Minneapolis, Minn., to spend two or three weeks with her sister, Mrs. John Lambin.

1920 Models Buick "K" Series



The Buick Model K-Six-49

Buick Seven-Passenger Touring Car

THE BUICK Model-K-Six-49 is a big, roomy, open car for seven persons, with a range of service in keeping with its powerful Valve-in-Head motor. The long wheelbase, the extra size tonneau, the completeness of all details making for comfort and convenience give it an air of unlimited capacity that is amply borne out by its continued and consistent performance.

This body is divided by a double cowl, into which the folding seats disappear when not in service. These extra seats are so arranged as to give liberal space to all occupants in the tonneau, thereby avoiding any possible crowding.

The slanting windshield braces form the front support for the high-grade top, which is also equipped with well-made side curtains that swing open with the doors.

Motored to Albany.

Misses Ora Barmann, Olive DeLuce and Eleanor Smith and Earl Barmann motored to Albany Sunday to visit Miss Ruth O'Malley. Miss O'Malley accompanied them home and returned to Albany last night.

Bellows Dinner.

Mr. and Mrs. Charles D. Bellows entertained with a family dinner Sunday noon at their home. Plates were laid for Mr. and Mrs. Fred Bellows, Mr. and Mrs. Jesse Douglas and little son, Jesse, Jr., Miss Nellie Douglas, the host and hostess and their daughter, Miss Mildred Bellows.

For Kansas Visitors.

A dinner was given this noon at the home of Mr. and Mrs. O. L. Holmes in honor of Mr. and Mrs. W. H. Crawford of Horton, Kans., who, with their daughter, Bernice, motored here yesterday to spend a few days with friends. Those present were Mr. and Mrs. Crawford, Mrs. Hosick Holmes and two sons of Omaha, and the host and hostess.

Entertain Chautauqua Crew.

Misses Laura Curfman, Mary Condon and Helen Dean, three "Kippy Kanteen' girls who had a stand in the Chautauqua grounds, gave a picnic supper Sunday evening for the crew boys and two of Sunday's speakers. The group included Mr. and Mrs. Ralph Bingham, Miss Mary E. Nelson, Red Cross nurse, Supt. Schultz, Miss Tod Wright, supervisor of the Junior Chautauqua, Charles Fisher, property man, Ray Bryant, E. Jacobs, Gordon Marshall, V. H. and E. R. Music, Claude Glass and the three hostesses.

WILL REORGANIZE STATE NATIONAL GUARD UNITS

Washington, Aug. 12.—As soon as appropriations are available the National Guard units of all the states and territories, which were federalized for Uncle Sam's scrap with the central powers, will be immediately reorganized, the militia bureau of the war department announces.

"The National Guard," says the military bureau, "after performing its duty with great honor and fidelity, has been discharged from its obligations."

Present plans for the reorganization call for eventual organization on this basis:

The coast artillery will be substantially as it existed before the war. The remainder of the National Guard will, within the limits of available appropriations, be organized into sixteen infantry divisions, one cavalry division and into separate regiments and smaller units.

No National Guard army or corps troop or special service unit, such as aero squadrons or tank corps or the like, will be organized at the present time.

The infantry divisional districts under the sixteen division plan will be substantially the same as that in which the National Guard was formed for service in the United States army.

National Guard divisional district No. 51 will comprise Maine, New Hampshire, Vermont, Massachusetts, Rhode Island and Connecticut. Divisional district No. 52 will comprise New York; district No. 53, Pennsylvania; district No. 54, New Jersey, Delaware, Maryland, District of Columbia and Virginia; district No. 55, North Carolina, South Carolina and Tennessee; district No. 56, Alabama, Georgia and Florida; district No. 57, Arkansas, Louisiana and Mississippi; district No. 58, Ohio; No. 59, Indiana, Kentucky and West Virginia; No. 60, Illinois; No. 61, Michigan and Wisconsin; No. 62, Minnesota, Nebraska and Iowa; No. 63, Kansas and Missouri; No. 64, California, Arizona, New Mexico, Utah, Nevada and Colorado; and No. 66, North Dakota, South Dakota, Montana, Idaho, Wyoming, Washington and Oregon.

The cavalry division will be assigned to the entire United States at large, but will be organized principally in those states suitable for mounted troops.

RED CROSS PLANS NATIONAL CAMPAIGN NOVEMBER 3 TO 11

To be Known as Third Red Cross Call—Object to Increase Members and Raise $15,000,000

Washington, Aug. 12.—Plans for a nation-wide Red Cross campaign opening Monday, November 3, and closing Armistice Day, November 11, were formerly announced tonight by Dr. Livingston Farrand, chairman of the executive committee of the American Red Cross. The primary object of the campaign, which will be known as the Third Red Cross Roll Call, will be to enroll members for 1920, but there will be in addition a general appeal for $15,000,000 to enable the organization to complete its war obligations at home and abroad. There will also be local appeals, where necessary, conducted by the chapters, to secure funds needed for local programs.

During the war there were two annual Red Cross campaigns—War Fund drive in late spring and a Christmas Roll Call for membership. The only campaign this year will be the one in November and in succeeding years there will be only an annual Roll Call in which the Red Cross will seek the re-affirmed allegiance of the American people expressed in dollar memberships. The money so derived will be used for American purposes and the approval thus received is to be regarded as a mandate to carry on future programs.

"The first task of the American Red Cross is, of course, to complete its obligations to American soldiers and sailors," said Dr. Farrand, in announcing the program. "The organization plans, as its future policy, to concentrate its efforts upon peace problems at home, unless America should again be involved in war or confronted by great disasters creating special emergencies.

"The Red Cross programs are primarily within the field of public health and will aim particularly at co-operation with official activities, federal, state and local. The Red Cross will seek not to dpulicate the work of established organizations, but will endeavor to supplement other agencies where they already exist or to stimulate and organize work where none exists."

The tremendous task of the American Red Cross in the war has, however, left a continuing obligation which cannot be fulfilled for some months to come, Dr. Farrand stated. In an amendment to the Army Bill, congress has prolonged the responsibility of the Red Cross abroad by authorizing Secretary of War Baker to transfer to the Red Cross such medical and surgical supplies and supplementary and dietary foodstuffs now in Europe as is not needed by the army abroad or at home "to be used by the American Red Cross to relieve and supply the pressingn eeds of the countries involved in the late war."

MOTORMAN NOT LOSING ANY TIME

"I don't think anyone ever suffered more from stomach trouble and bloating than I have. I had to lay off my run more than half the time and could get no help from prescriptions or medicine. One of my friends advised using Mayr's Wondarful Remedy, which I found to be the greatest remedy ever put on the earth. I have not lost a day since taking it. It is worth its weight in gold." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Sold by Maryville Pharmacy and druggists everywhere. (Adv)

New Force Starts Corn-Borer Cleanup

In the next few days the United States Department of Agriculture will open a field laboratory near Schenectady, N. Y., for the purpose of conducting a survey of European corn-borer conditions in that state. A force of about twenty-five inspectors will be thrown in the field and a complete survey will be made as quickly as possible. All material collected will be sent to the laboratory, the exact location of which has not yet been decided upon, for determination as to whether or not it is European corn-borer or native species. The infestation in New York is not nearly so widespread as that in Massachusetts, but it is none the less serious, and calls for energetic measures. Actual clean-up work can not be begun until after frost, but before that time information will be gathered to show what area the clean-up must cover.

"EARTH CURRENTS" ON RAMPAGE

Telephone and Telegraph Lines Affected by a Strange Power

Has your telephone failed to operate for a minute or two while you were talking today? Here's the reason offered by George Brinkley, district commercial manager of the Western Union here, says Monday's Kansas City Star.

Telegraph and telephone lines throughout the world are being affected by what is known as "earth currents," which attract the power from batteries and leave instruments "dead" for a few seconds at a time.

The strange currents which so far are unexplained by science, according to Mr. Brinkley, recur every two years. The "earth currents" were noticed last night by the telegraph companies here and were particularly noticeable today. They last from twenty-four to thirty-six hours after they first begin to affect the instruments.

J. W. Morris of St. Joseph was in Maryville today.

Feeding the Millions

INCREASING the food supply of the world is the most vital problem which man must solve. The burden of this solution rests heavily upon the shoulders of the farmers of America.

The service rendered by the Standard Oil Company (Indiana) in producing fuel and lubricants for the economical and efficient operation of farm machinery has made it possible for the farmer to cultivate a greater acreage, produce larger crops, and get them to market at least expense.

By maintaining its comprehensive system of distribution, the Standard Oil Company (Indiana) makes it possible for the farmer to get his requirements of petroleum products easily, regularly and quickly.

By virtue of this complete service on the part of the Standard Oil Company (Indiana), he may, literally, "make hay while the sun shines."

He is independent of the health or endurance of horses. He can plow, cultivate or harvest when these tasks should be done. He can have a complete cycle of activity, operating even by shifts, if necessary. He can plan his operations on a definite schedule to produce a steady, constant supply of farm products for you and your family.

Thus is illustrated how you benefit by the service rendered by the Standard Oil Company (Indiana) to the farmer. These are benefits accruing to the world at large which accentuate the usefulness of the Standard Oil Company (Indiana) as a public servant, and emphasize how completely it discharges its obligation as such.

Stop and Think

For one moment why you stay in the East, and pay big interest or high rent when you can go west and soon own a farm of your own.

The West offers greater opportunities to any man than the East and especially to the poor man or man of reasonable means. I started in this land business last fall and have made a success of it by doing an honest business and by selling on reasonable commissions. My business has grown until I have had to have a partner, so Mr. Newt Morgan of Parnell, Mo., is going in with me. I have sold three thousand six hundred acres of land; have just closed a deal on one thousand and fifty acres at forty-five thousand dollars.

This has been the dryest year ever known to the oldest settlers and yet it is wonderful to see what crops we have raised. Most of the corn will make 20 to 30 bushels to the acre. We have had plenty of rain since the third of July and all late crops will be good. I am located at Carpenter, Wyo., in the southeastern corner of the State and have lots of land listed with me for sale now. I have farms of all sizes from one hundred acre farms to five thousand acre ranches and I know I can save any man money that wants to buy a farm or ranch. So don't fail to see me before buying. I have sold eleven thousand six hundred dollars worth of hogs since last October. I fattened them from the corn that I raised last year on one hundred and thirty-five acres. My last car load of sixty-two head brought four thousand and two dollars. I now have nine hundred and sixty acres of land. When I left Maryville, Mo., three years ago last October I was not worth five hundred dollars, today I am worth at least twelve thousand dollars. Now judge for yourself whether this is a good country to make money in or not. Then come and have a talk with me at the Nodaway County Fair and see samples of what we have raised this year, then make up your mind to come back with me and buy a farm or ranch and you will make the best move that you ever made in your life. For further information se me at the Fair August 11 to 16.

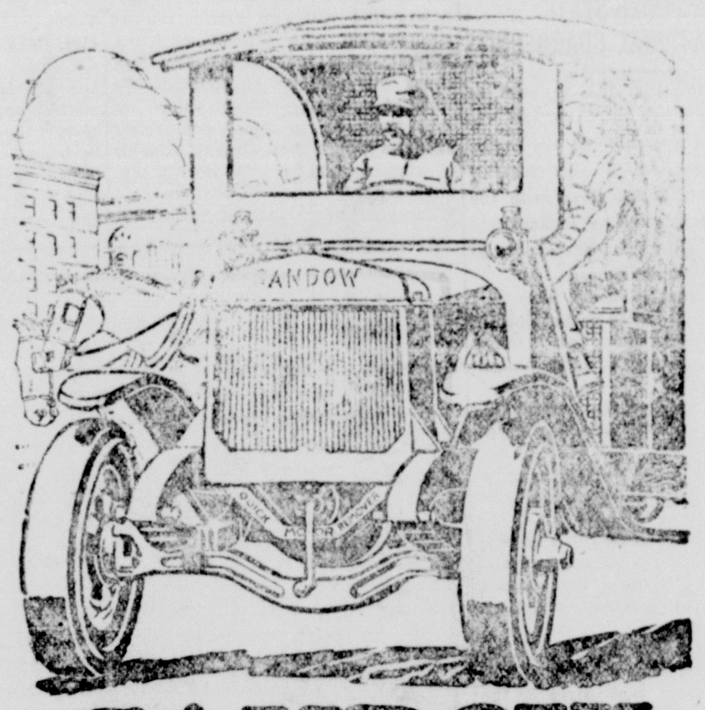
Reducing the Cost of Living

One of the things that will have a big influence on this question is the new national movement to

"Ship by Truck"



SANDOW TRUCKS

It will make it possible for farmers to market more produce, and also to market smaller quantities that are often wasted because the amount does not warrant hauling to a railroad and shipping on cars.

If "SHIP BY TRUCK" methods will reduce the cost of operation for others and bring more food to the world at less cost, it will also make more money for the producer of food, by cutting his hauling expense.

There is no doubt that farmers will haul by truck, and that many of them will haul direct to St. Joseph, Kansas City or Omaha, and the only danger is that they will experiment with trucks too small and light for that kind of work.

Sandow Trucks

are built for long heavy hauls over all kinds of roads. Their great strength and capacity for overloading make them ideal for handling farm hauling.

The extra trussed frame and motor rocker block make them able to take rough roads without danger of breaking or shaking to pieces.

In fact, the Sandow will stand up better under the kind of use a farmer wants than other trucks of the same class, and it will be the best economy to buy such a truck in the first place.

We are using a Sandow every day in much the same kind of work you want one for and on all kinds of roads as well as on pavements and we can show you just how it is running and just how it is handling the work.

NO FLIGHTS BY BIG WAR BALLOON

TWELFTH BALLOON COMPANY CHANGES CAMP TO THE FAIR GROUNDS THIS MORNING

TO REMAIN TILL FRIDAY

Lack of Prearrangements For Shipment of Hydrogen Makes Flight Improbable — Service Offers Many Opportunities

The Twelfth Balloon Company Motor Transport Convoy, which arrived in this city yesterday afternoon, moved to the Fair grounds today where they will remain until Friday morning, carrying out their recruiting program. A special order was received by Capt. McKinley late yesterday from Fort Omaha giving him permission to remain here the extended time owing to the Fair.

Captain McKinley stated this morning that it was probable that no ascensions will be made during the stay here. "It requires practically a car load of hydrogen tubes to fill the bag," he said, "and as no arrangements have been made to secure the gas I do not think we will be able to make the flights."

The company is in commaund of Captain A. C. McKinley and Lieutenants Neeley and Jordan. The company roster includes the following enlisted men:

Sergeants, first class, Starkey and Law; Sergeants DeNyse and Leffard; cook, Deford; Corporals Maske, Belder, Morris, Siegrist, Sikes; Privates Andridge, Berner, Cavric, Cuhel, Deering, Dunn, Farmer, Fletcher, Grider, Hansen, Hensman, Hudspeth, Jung, Jurkowski, Knute, Lathrop, Laville, Lukehart, Meschievitz, Neal, Nelson, Nichols, Norlem, Tara, Thomas, Thompson, Wood, Zalot; Corporal Albin L. Anderson; Private, first class, Norman Curtis.

The entire company was entertained at luncheon today at noon at the Bainum hotel by the Knights of Columbus of Maryville.

After the dinner, James Cummins made a address to the men. He was followed by short talks by each of the officers, Captain A. C. McKinley, and Lieutenants James T. Neeley and James C. Jordan, who told of the appreciation of the men.

Yesterday several of the soldiers were guests of the local K. C. motoring to the site of the Boy Scout camp near Skidmore where a swimming party was held.

This organization saw considerable service in action overseas. It took part in the St. Mihiel offensive and has been cited in orders three times. One of the officers received a Distinguished Service Cross, and nearly all of the personnel have been through shelling and carried on observation in the air under fire.

The diary of the company, kept during the whole overseas tour, is very interesting. It describes the loss of two observers who, in one balloon, were blown into Germany by a strong wind; mentions the experiences of observers who jumped under fire, and relates the story of the day that the balloon and the whole company were shelled, including a direct hit on the balloon..

The object of the tour which the company is making is to sequre new recruits to bring it up to its authorized strength of 200 men. The demand is especially urgent now, for trained men in the following branches:

Auto mechanics, balloon riggers, blacksmiths, buglers, camera repairers, carpenters, chauffeurs, chemists, clerks (typists), cobblers, cooks, draftsmen, electricians, engine repairmen, fabric workers, gas works men, instrument repairmen, machine gunners, machinists (general), meteorologists, motorcyclists, photographers, plumbers, radio operators, telephne linemen, telephne operators, truck masters, welders, winch mechanics, wood workers.

Applicants are being accepted for service in the Philippines, canal zone, Mexican border and various parts of the United States.

The balloon which is being carried by the company is a giant rubber bag of the dirigible type. The hydrogen which is used to inflate it is shipped in tubes and costs $3.50 a thousand cubic feet. The bag contains 35,000 cubic feet, making a total cost for each inflation $122.50. The lifting capacity of the balloon is 2,520,000 pounds when fully inflated at this level above the sea. The lifting power decreases with the height.

The basket of the balloon contains the instruments used in observation and in addition two parachutes which are to be used by the observers in case the balloon is destroyed.

Six quad trucks comprise the train which arrived here yesterday.

A complete miniature army camp is thrown up by the company at each stop, the mess kitchen, headquarters, etc., being carried on wheels.

The commercial demand for trained men in this line will soon exceed all others—and the demand is greater than the supply right now—and will continue so.

The commercial companies must have trained men. The cannot take them and train them as can the Army. Therefore the supply to operate these companies must come from the Service. An unparalleled chance for those who fit themselves for it. It is those men who are far-sighted enough to grasp new opportunities wha make themselves famous—no one will do it for you—it's up to you—and the pay is good while you are learning. Clothes, food, quarquarters, medical and dental services all free.

Then there is the wholesome association of real men—the friendships you make, the athletics and games, the good times you have, and the pride of belonging to the best Service in the world.

AMERICAN RESCUE WORKERS TO OPEN GOSPEL MISSION HERE

Staff Capt. Signer and Mrs. Signer Already Here and Capt. and Mrs. Ohren Johnson Expected Soon

Staff Captain C. Signer, district officer for Nebraska, South Dakota and Kansas, and Mrs. Signer of the American Rescue Workers, formerly American Salvation Army, have arrived in Maryville to establish headquarters here for Northwest Missouri and Southwest Iowa. Temporary headquarters have been established at 603 Normal avenue.

Mrs. Signer, upon the advice of doctors, has gone to St. Louis to undergo an operation for her eyes. She is expected to return in two weeks, accompanied by Capt. and Mrs. Ohren Johnson and two accomplished musicians and gospel workers.

Captain and Mrs. Signer are old and experienced mission workers and highly recommended. They have been in this kind of work for twenty-seven years.

A gospel mission will be opened here as soon as the rest of the party arrives. Mr. and Mrs. Clyde Brougham and Mr. and Mrs. George Brougham, members of the organization, are expected to arrive here in a few days from Yorkton.

Dorothy Glenn, the little daughter of Mrs. Edith Glenn of Elmo, underwent an operation for adenoids this morning at St. Francis hospital.

The following stores will be closed from 1 o'clock p. m. to 5 o'clock, Wednesday, Thursday and Friday to attend the Fair.

IS PROFITEERING DONE IN COUNTY?

ACTING GOVERNOR ASKS INVESTIGATION BE MADE TO FIND OUT

WILL CALL GRAND JURY

Judge Dawson and Prosecuting Attorney McCaffrey Will Confer On Advisability of Calling Jury

Wallace Crossley, acting governor of Missouri, in a letter to Charles McCaffrey, prosecuting attorney, today asks that steps be taken for immediate investigation into the cost of living in this county. If there has been artificial inflation of prices and profiteering legal action is ordered to be taken immediately in prosecuting the law violators.

McCaffrey stated in an interview today that Judge Dawson and himself would confer soon over the calling of a grand jury for the purpose of investigation and prosecution.

The acting governor's letter in part has the folowing import. War and the high cost of labor are no longer tenable grounds for explaining the unusual costs of living materials. Human selfishness and greed are factors that are playing an important part in wholesale profiteering that is going on over the country.

If there is artificial inflation of prices in this county it must be stopped and, if there is not, then a thorough investigation of matters will relieve the business men of this county from the stigma of criticism that has no foundation. In that way an investigation will satisfy the fears of the people and be a boon to the honest business man.

Throughout the war the officials of this couhtry lent their patriotic services to the country unreservedly to win the war. But there is a patriotism of peace as well as a patriotism of war.

The method suggested for getting results is the calling of a grand jury to pass on evidence secured by the prosecuting attorney as is the custom of law. The moral result from such an investigation will be of great value.

REV. FERGUSON PREACHES A SERMON AT WALKUP'S GROVE

His Subject Concerned the $175,000,000 Campaign of the Baptist Church Now On

The Rev. W. C. Ferguson of the First Baptist church delivered a sermon at the Walkup's Grove Baptist church west of Skidmore yesterday. The topic of his discussion had to do with the $175,000,000 campaign which is being carried on by the Baptist churches of America.

Rev. Charles Durden of the First Baptist church of East St. Louis is holding protracted meetings at the Walkup's Grove Baptist church. A church ruling has been adopted whereby a special address must be delivered at every protracted meeting, telling of the $175,000,000 campaign.

ENGLISH POLICE DISCOVER RED LITERATURE IN RAID

Investigation Follows Riot in Action in Which Bolshevik Propaganda is Uncovered

London, Aug. 12.—A great quantity of seditious literature was seized when the police raided a barricaded house in Holborn early this morning. This followed a riot in Acton yesterday in which Bolshevik pamphlets appealing to workers were found.

Maryville Soldiers Home.

Ed Condon, son of Mrs. B. E. Condon, arrived home this noon from France, where he had been in the service for over a year. Since last November he had been with the military police and prior to that was a member of the 35th division. He received his discharge at Camp Taylor, Ky.

Roy Yeaman also returned home this noon, having received his discharge at Camp Taylor. He had been in overseas service since last fall.

Christopher Farnan of Bolckow was appointed administrator of the estate of Matthew Farnan, who died at his home in Conception Junction on July 26, by Probate Judge Robertson today.

FRENCH REFUSE AMERICAN PASSAGE ON PEACE TRAIN

Gen. Bandholtz Notified at Last Moment There Was No Room For Him on Allied Special to Budapest

Paris, Aug. 12.—It was learned today that General Bandholtz, the American member of the Allied mission to Budapest, was prevented by the French from accompanying the other members to the Hungarian capital on the special train run by the French. At the last moment he was notified that there was no room aboard for him.

The Americans overlooked the incident and immediately secured a special train from the Austrians, bearing the Allied special to Budapest.

RAIN FAILS TO HALT BIG FAIR

GOOD SIZED CROWDS AT THE GROUNDS THIS AFTERNOON

LIEUT. BURKE—AVIATOR

Hot Judging Contest Feature of Afternoon Bill—Horse Races Scheduled at Three O'Clock

With all the exhibitors, special attractions and concession men settled into their places, and with the slight rain of the morning just enough to settle the dust and cool the atmosphere, Nodaway County's annual Fair started in earnest this afternoon. A fair sized crowd was within the gates at 2:30.

The horse races, scheduled to begin at 1:30 o'clock this afternoon were post poned until 3 o'clock to permit the track to be worked into condition following the rain. While the workers were grooming the track into shape, the feature attraction of the early afternoon was the Hog Judging Show. Among the exhibitors in this event are: Paland China—F. P. Robinson of Maryville and A. L. Aeur of Conception Junction.

Chester White—J. H. Harvey and Mose Hahn, both of Maryville; Spotted Poland China—G. F. Lawson, of Ravenwood; Hampshire—G. F. Lawson, Ravenwood. The results of the contest will be announced late this afternoon.

Among the exhibitors in the Floral Hall booths are: The Dan Snoderly Piano Company; Hancey Piano Company, of St. Joseph; Moore Brothers Lightning Rod Company; Allen Brothers Land Company; DeBorah's Art and Gift Shop, of St. Joseph; Singer Sewing Machine Company and the Vitalized Agriculture exhibit of the Nodaway County Rural Schools. On the upper floor of Floral Hall is arranged a sewing and home vocational exhibit.

The vitalized agriculture demonstration which was scheduled to be made this afternoon by the Nodaway County school children was postponed due to the inability of the children to reach Maryville because of the rain. The demonstration will be a regular part of the Fair tomorrow afternoon and every afternoon during the remainder of the week.

Lieutenant William A. Burke, of the United States Aarmy Air Service, arrived in Maryville yesterday and is making preparations for flights in his Laird-Tractor plane at the Fair grounds Thursday and Friday afternoons.

Due to an unaccountable error, the flights are billed to be made by Lieut. Mills.. Lieutenant Burke is the only aviator who will appear at the Fair.

Lieutenant Burke was in the flying game several years before the war, doing exhibition work. At the outbreak of the war he entered the service as a pilot and instructor.

His flying program constitutes all the army stunts and acrobatics used in air fighting. He has one of the smallest and fastest fighting and speed planes made. The Laird-Tractor is the type used on the fighting front especially for scouting and observation work.

On account of the rain this morning the judging of the jacks and mules and the judging of the poultry

INDORSED LEAGUE AND PRESIDENT

DEMOCRATIC STATE COMMITTEE WENT ON RECORD YESTERDAY AT ST. LOUIS

DEMOCRATS TO VOTE ON IT

Primaries to be Held August 30 to Express Whether They Are For the League or Senator Reed

The Democratic state committee in session at St. Louis yesterday indorsed the League of Nations and renewed confidence in President Wilson. The resolution stated that Senator Reed by his actions in this crisis is not in harmony with the sentiments of his party in the state. A demand is made upon him "to vote for the League of Nations without reservations or modifications and for the covenant as now pending before the senate in toto, and to which the Democratic party in the state is committed."

The authority of the committee to take such action was challenged by a letter from Senator Reed and read by Joseph B. Shannon of Kansas City. Reed in his letter broadly asserted that any action the committee would take would not be binding on him or the Democrats of Missouri; that the duties of the committee were wholly executive and had nothing to do with legislation or party policy; that party politics are indicated and set forth by the party in convention assembled.

This point, the authority of the committee, was recognized by the committee. The resolutions committee gave it consideration by ordering the city and county committees of the state to call primaries to be held on August 30, at which Democrats by their votes can give expression as to whether they are for the League of Nations or favor the stand taken by Senator Reed. Should the decision be in favor of Reed, the alternative is left to the committee to call a state convention of delegates to further discuss the question.

On the adoption of the resolutions, Senator Reed had only one man on the committee who stood by him. This man was his personal representative, Emmett O'Malley of Kansas City.

Even Joseph B. Shannon deserted at the trying moment. When his name was called he asked to be passed and did not vote. He also held the proxy of an absent member of the committee from the Fifteenth district, a Mr. Warren. Shannon hesitated when Warren's name was called and hastily conferred with a crowd that gathered around him.

"I have heard that Warren wants me to vote aye, and that is the way I want to vote," Shannon said.

Mayor Cowgill of Kansas City sat with the committee on a proxy of an absent committeeman from the Third district, and he voiced a loud aye in support of the resolution.

The vote on the resolution was: ayes, 29; nays, 1; absent, 1; passed,1.

The committee was slow in getting under way, owing to the belligerent attitude against Reed by Faris, Col. E. M. Harber of Kansas City and other rabid pro-leaguers. Faris and Harber wanted to make Reed the prime issue, and to that end Faris drew up a resolution against the senator which was a sizzler from start to finish. It demanded not only the reading of Reed out of the party, but demanded that he tender his resignation.

Ben M. Neale, chairman of the committee, said it was not within the province of the party to read any man out of it, and in support of his attitude called in Mayor Cowgill, National Committeeman Goltra, Joseph W. Folk and other shining lights. They took the Neale end of the argument and finally soothed Faris by permitting him to draw a modification resolution telling Reed to get right.

"Well, we'll know more about it when Democrats vote on August 30," said Faris. "If it is repudiated by the voters I'll not desert my party like the gentleman from Kansas City says he will do if it is endorsed. I will say, 'Faris, you are a fool; get right with the majority'."

J. J. Heifner of Maryville, who attended the committee meeting on the proxy of George Robb Ellison, will return from St. Louis this evening. The committee was in session until late last night.

Postmater Clyde Perkins of Barnard came to Maryville today to attend the fair.

SERB CRISIS FORCES THE RESIGNATION OF PREMIER

M. Davisovitz Commissioned to Form a Coalition Cabinet—Premier Proti Forced Out

London, Aug. 12.—The new Serbian cabinet crisis has forced the resignation of Premier Proti at Belgrade, said an Exchange telegraph dispatch from Vienna today. M. Davisovitz has been commissioned to form a coalition cabinet.

G.O.P. MENTIONS U.S. REVOLUTION

"IF WE MUST HAVE REVOLUTION, LET IT COME," IS STATEMENT

POINT TO RAIL TIE-UP

Declaration Made by Publicity Association That Ominous Situation Looms if Plumb Plan is Not Complied With

Washington, Aug. 12.—"If we must have a revolution, let it come now to determine at once whether a government by majority is to survive," is the closing paragraph of a statement issued today at the Republican Publicity Association, in which it is asserted that the threat of the tie-up of the entire railway system of the country looms omniously unless the demands of the railroad unions for higher wages and the enactment of the Plumb plan are promptly complied with.

LOS ANGELES SALOONS REOPEN WITH 2 3-4 BEER

Many Soft Drink Parlors Selling Slight Alcoholic Beverage—Licenses Being Issued

Los Angeles, Aug. 12.—A number of saloons, which have been closed since Los Angeles went dry in April 1918, opened today, selling 2.75 beer and many soft drink places are selling it. Under the opinion of the city attorney licenses may again be issued.

CARNEGIE'S GRAVE TO BE AT SLEEPY HOLLOW

Steel King and World's Greatest Philanthropist to be Laid to Rest in Famous Spot—Funeral Thursday Morning

Tarrytown, Aug. 12.—In the country graveyard of Sleepy Hollow, made famous by the tales of Washington Irving, the body of Andrew Carnegie, steel king and the world's greatest philanthropist, will be laid to rest. Following the funeral services at his summer home in Massachusetts on Thursday morning.

GIRLS! YOUR CHANCE!

Urbana, Okla., Aug. 9.—Ed Heath of this city wants a wife, and Ed isn't very particular, at that.

Here is his ad in a local paper: Wanted—A wife. Will be pleased to hear from any girl who is willing to work. Disposition makes no difference. Ed Heath, Urbana, O.

Having purchased the Protzman Barber Shop under First National Bank, we are ready for your business.

WILL STEELE.

NOTICE TO ICE CONSUMERS

Owing to the delivery men wanting to attend the fair there will be no ice delivered in residence district Tuesday and Thursday of this week.

Wm. EVERHART.

DECIDE TODAY ON RAIL DEMANDS

CONVENTION AT CLEVELAND TO FORMULATE DEMANDS TO THE RAILROAD ADMINISTRATION

SITUATION IS UNCHANGED

Vice President of Boilermakers Union Pleads With Strikers to Return —The Frisco Workers at Springfield Return

Cleveland, Aug. 12.—Wage demands which are soon to be presented to the railroad administration will be decided upon at a meeting of three hundred local chairmen of the Brotherhood of Locomotive Firemen and Enginemen, which opened here today.

Chicago, Aug. 12.—Mamaher, vice-president of the International Brotherhood of Boilermakers, will plead with the striking railroad boilermakers to return to work at a mass meeting of the strikers today. A large number are out on strike.

There was little change in the rail situation in the central and middle west today. A few of the men are returning to work but the majority are remaining out.

Springfield, Mo., Aug. 12. — Four thousand striking shopmen of the Frisco shops returned to work here this morning. The Frisco has removed all freight embargoes.

WILSON TOUR PENDING SETTLEMENT OF H. C. OF L.

Will Not Make Start of Speaking Tour of Country Until Congress Enacts Legislation

Washington, Aug. 12.—President Wilson probably will not start on his contemplated speaking tour until Congress has made a definite progress toward the carrying out of recommendations for legislation to bring down the high cost of living, it was stated at the White House today.

COMPLETE DEMOBILIZATION OF ARMY BY SEPTEMBER 1

Question of War Time Prohibition, Designed for War Time Conditions, Now up to the President

Washington, Aug. 12.—The actual demobilization of the army in so far as combatant troops are concerned will be practically completed by the last of October, Secretary Baker announced today. The annulling of war time prohibition designed only to last through the period of demobilization will therefore be entirely within the province of President Wilson before November 1, it is thought among officials.

DEMONSTRATIONS HELD.

Vitalized Agriculture Exhibits at the Fair a Popular Place.

Demonstrations are to be held daily at the vitalized agriculture booth in the Floral Hall at the fair. They are to be given by the pupils of the rural schools. The demonstration scheduled for today is on sewing.

Miss Eva Whitehead is in charge of the booth and her assistants during the week will be Misses Maud Whitehead, Alma Mack, Nellie Halasey, Mary Watson, Vida and Elva Heflin.

PRINCE OF WALES ARRIVES.

St. Johns, N. F., Aug. 12.—Prince of Wales arrived here at 11 o'clock this morning. The Prince came ashore at noon and was greeted by thousands.

WEATHER FOR TODAY

Partly cloudy and cooler tonight; possibly local thunderstorms. Wednesday generally fair and cooler.

Clearmont News.

The management of the chautauqua have received word that the dates of the Clearmont chautauqua have been changed from Aug. 13-17 to Aug. 19-23. Bear this in mind and get your tickets right away so the ladies can be prepared with the amount they have to pay down the day the chautauqua opens.

16,000 ACRES AT PUBLIC AUCTION.

The Dr. Rea Ranch, in the northwest corner of Stanton County, Kansas, is to be sold in 160, 320 and 640 acre farms to the highest bidder on Sept. 9th, 10th and 11th.

This land is deep, rich, black virgin soil; no sand; level or slightly rolling; plenty of good soft water. Wheat in this section produced twenty to thirty bushels per acre this year. This land has been owned by Dr. Rea for the past twenty years and the increased value of the land for farming purposes is the reason it is being offered for sale.

Take a trip with us to this sale. Address or call on G. B. Holmes Real Estate Co., Maryville, Mo., over Nodaway Valley Bank.

RAIN FALLS TO HALT FAIR

(Continued from page 1.)

was not held.

This evening, if the weather is favorable, a horse show will be held and the free attractions given.

The program for tomorrow includes the judging of draft horses, judging Hereford cattle, judging poultry, judghogs, all classes, judging Floral Hall exhibits.

The racing program for tomorrow afternoon is as follows:

Races—2:27 trot; 2:22 pace; ½-mile running race; ⅝-mile running race; ¾-mile running race, and an airplane flight.

The Christian church has a dining room tent on the ground and will serve meals each day.

Two of the largest exhibitors are the Lowry Implement Co., and the Maryville Motor Co., agents for the Dodge car. Both have big tents.

Picnic Breakfast for Guests.

Misses Julia and Martha Denny entertained with a 7 o'clock picnic breakfast this morning in the woods north of Maryville, in honor of their niece, Miss Evangeline Spickerman of Utica, Ill., and Miss Allene Thorpe of Lamar the guest of Miss Ruth Bookman. The party included Miss Spickerman, Miss Thorpe, Misses Ruth Bookman, Mabel, Evelyn and Laura Margaret Raines, Persis Hunt, Helen Hankins, Margaret Remus, Ora May Condon, Ruth Miller, Hattie May Woodward, Hilda Denny, Thelma Craig and the hostess.

Corn on the bottoms is said to be good this year, the dry weather affecting it but little. John Adkins' corn looks good enough for 60 bushels, but of course you cannot tell so early in the season.

45,000 PEOPLE AT STATE FAIR AT SEDALIA MONDAY

Sedalia, Mo., Aug. 12.—The official count of admissions at the state fair here yesterday was in excess of 45,000 the largest crowd by 5,000 ever assembled on the grounds in nineteen years of the history of the fair.

Wednesday is St. Louis day, and a delegation which will arrive at ten o'clock will be met by a committee of fair officials and Sedalia citizens.

Tractor plowing demonstrations will take place Thursday and Friday mornings under the national plowing demonstration rules, Guy H. Hall, secretary of Kansas City Tractor club, in charge. Two hundred acres will be plowed six and eight inche sdeep and eighty tractors will participate.

"OVER THERE" AT ELECTRIC TO BE SHOWN WED. NIGHT.

Anna Q. Nilsson, who is featured with Charles Richmond in the stirring patriotic Select Picture, "Over There," which will appear at the Electric Theatre on Wednesday of this week, is one of the most popular recent recruits to filmdom. Last seen with George M. Cohan in "Seven Keys to Baldpate," is a coincidence that she should lead in a photodrama named after his most famous song.

Miss Nilsson gave one army officer an excitingly realistic foretaste of service "over there." In the scene where she is riding with him on the front seat of a Red Cross ambulance along a road which the Germans are "strafing" with heavy gun fire, men were detailed to fling smoke bombs NEAR the fleeting ambulance—notice the emphasis. In their zeal, however, they hurled several bombs directly underneath the car. Only the speed of the ambulance prevented a serious accident; for if one of the bombs had exploded a couple of inches nearer to the gasoline tank, Miss Nilsson and the officer would have sailed skyward.

At the end of the wild ride Miss Njisson emerged apparently unshaken but the officer, wiping the perspiration from his brow, ejaculated,

"Whew, some ride! But I suppose I might just as well get it here as over there."

LIVE STOCK MARKET.

Kansas City Stock Yards, August 11, 1919—The Cattle market today was strong to 25 cents higher, hogs up 50 to 75 cents and sheep 15 to 25 cents higher. Receipts fell below expectations as the strike among railroad shopmen was not settled until too late last week for shippers to get cars. The labor situation, railroad traffic and demand both from packers and shippers are normal again. Prime Nebraska steers sold up to $19.00, yearlings $18.00 and stock and feeding steers were 25 cents higher.

Today's Receipts.

Today's receipts were 16,000 cattle, 4,000 hogs and 7,000 sheep, 2,000 fewer cattle, 6,000 fewer hogs and 2,500 more sheep than a week ago, and 7,000 more cattle, 3,000 more sheep and 4,500 fewer hogs than a year ago.

Beef Cattle.

The bulk of the offerings today were suitable for killers. Fat steers sold up to $19 and several other loads brought $18 to $18.50, including yearlings up to $18. The bulk of the grass fed steers sold at $11 to $14.50, with wintered grassers up to $16.75. The bulk of the grass fed cows sold at $8 to $9.50, and heifers $9 to $13.50; fed heifers up to $15.75. Prices were quoted strong to 25 cents higher; top $15.50.

Stockers and Feeders.

Light receipts and improved shipping conditions added strength to the demand for stockers and feeders. Prices were strong to 25 cents higher.

Hogs.

Hogs prices rose 50 to 75 cents and the general trade was a scramble for supplies. Shippers were back in the market, and with light receipts, packers were eager to meet all competition. The top price was $22.75, and bulk of sales $22 to $22.75, a rise of $1.75 to $2 compared with the low point of last week. Two car loads of 300-pound Nebraska hogs sold at $22.75.

Sheep and Lambs.

Though receipts were larger than for some time past there was active demand for both fat and feeding grades of sheep. Prices were strong to 25 cents higher. Fat lambs are quoted at $15 to $16.50, wethers $9 to $10.50, ewes $6 to $9.25, feeding lambs 12 to $14.75, and breeding ewes $10 to $15.50.

Horses and Mules.

Auction sale days for horses and mules at the Kansas City stock yards will be changed to Monday and Tuesday, instead of Friday and Saturday as heretofore. This will take effect September 1st and no auctions will be held August 29 and 30. The last Friday and Saturday auctions will be held August 22 and 23. Strike conditions last week caused an easier tone in the market. Mules were quoted steady to $10 lower, and horses steady. August 22 five cars of farm-raised, unbranded, halter-broke South Dakota mares will be offered at auction.

CHARLES M. PIPKIN,
Market Correspondent.

What this diploma means to the women of Nodaway Co.

FIRST—

It means that the women of Nodaway County may receive at this corset department the authoritative advice of a highly trained corset expert. This service places you under no obligation.

SECOND—

Our graduate corsetiere is not only specially trained in all branches of corset fitting, but has made a careful study of the prevailing fashions in all branches of women's apparel.

THIRD—

The new fall fashions ask for a natural, graceful figure that can only be attained by the most careful corseting. This subtle relation between Gossards and the new mode can be convincingly demonstrated by our corset expert.

FOURTH—

A special course in medical fittings enables her to give competent attention to any special corseting which a physician may prescribe. She will serve you at the department, at the doctor's office, or at your home.

FIFTH—

This diploma assures the women of Nodaway County that they will find at this corset department that complete understanding of modern hygenic corsetry that guarantee them the ideal proportions of their figures types, with priceless comfort and safeguarded health.

Let our Graduate Corsetiere serve you—you'll notice the difference at once.

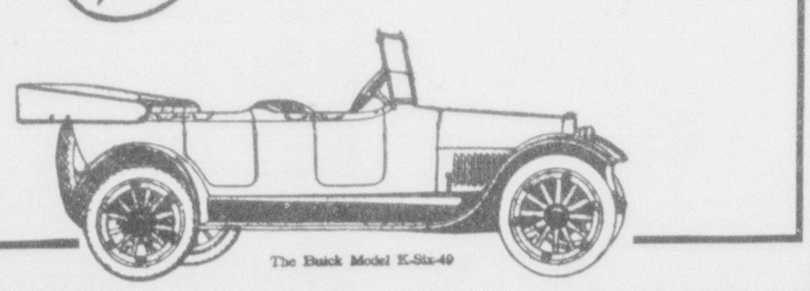
1920 Models Buick "K" Series



The Buick Model K-Six-49

Buick Seven-Passenger Touring Car

THE BUICK Model-K-Six-49 is a big, roomy, open car for seven persons, with a range of service in keeping with its powerful Valve-in-Head motor. The long wheelbase, the extra size tonneau, the completeness of all details making for comfort and convenience give it an air of unlimited capacity that is amply borne out by its continued and consistent performance.

This body is divided by a double cowl, into which the folding seats disappear when not in service. These extra seats are so arranged as to give liberal space to all occupants in the tonneau, thereby avoiding any possible crowding.

The slanting windshield braces form the front support for the high-grade top, which is also equipped with well-made side curtains that swing open with the doors.

Bellows Dinner.

Mr. and Mrs. Charles D. Bellows entertained with a family dinner Sunday noon at their home. Plates were laid for Mr. and Mrs. Fred Bellows, Mr. and Mrs. Jesse Douglas and little son, Jesse, Jr., Miss Nellie Douglas, the host and hostess and their daughter, Miss Mildred Bellows.

For Kansas Visitors.

A dinner was given this noon at the home of Mr. and Mrs. O. L. Holmes in honor of Mr. and Mrs. W. H. Crawford of Horton, Kans., who, with their daughter, Bernice, motored here yesterday to spend a few days with friends. Those present were Mr. and Mrs. Crawford, Mrs. Hosick Holmes and two sons of Omaha, and the host and hostess.

Entertain Chautauqua Crew.

Misses Laura Curfman, Mary Condon and Helen Dean, three "Kippy Kanteen' girls who had a stand in the Chautauqua grounds, gave a picnic supper Sunday evening for the crew boys and two of Sunday's speakers. The group included Mr. and Mrs. Ralph Bingham, Miss Mary E. Nelson, Red Cross nurse, Supt. Schultz, Miss Tod Wright, supervisor of the Junior Chautauqua, Charles Fisher, property man, Ray Bryant, E. Jacobs, Gordon Marshall, V. H. and E. R. Music, Claude Glass and the three hostesses.

WILL REORGANIZE STATE NATIONAL GUARD UNITS

Washington, Aug. 12.—As soon as appropriations are available the National Guard units of all the states and territories, which were federalized for Uncle Sam's scrap with the central powers, will be immediately reorganized, the militia bureau of the war department announces.

"The National Guard," says the military bureau, "after performing its duty with great honor and fidelity, has been discharged from its obligations."

Present plans for the reorganization call for eventual organization on this basis:

The coast artillery will be substantially as it existed before the war. The remainder of the National Guard will, within the limits of available appropriations, be organized into sixteen infantry divisions, one cavalry division and into separate regiments and smaller units.

No National Guard army or corps troop or special service unit, such as aero squadrons or tank corps or the like, will be organized at the present time.

The infantry divisional districts under the sixteen division plan will be substantially the same as that in which the National Guard was formed for service in the United States army.

National Guard divisional district No. 51 will comprise Maine, New Hampshire, Vermont, Massachusetts, Rhode Island and Connecticut. Divisional district No. 52 will comprise New York; district No. 53, Pennsylvania; district No. 54, New Jersey, Delaware, Maryland, District of Columbia and Virginia; district No. 55, North Carolina, South Carolina and Tennessee; district No. 56, Alabama, Georgia and Florida; district No. 57, Arkansas, Louisiana and Mississippi; district No. 58, Ohio; No. 59, Indiana, Kentucky and West Virginia; No. 60, Illinois; No. 61, Michigan and Wisconsin; No. 62, Minnesota, Nebraska and Iowa; No. 63, Kansas and Missouri; No. 64, California, Arizona, New Mexico, Utah, Nevada and Colorado; and No. 66, North Dakota, South Dakota, Montana, Idaho, Wyoming, Washington and Oregon.

The cavalry division will be assigned to the entire United States at large, but will be organized principally in those states suitable for mounted troops.

RED CROSS PLANS NATIONAL CAMPAIGN NOVEMBER 3 TO 11

To be Known as Third Red Cross Call—Object to Increase Members and Raise $15,000,000

Washington, Aug. 12.—Plans for a nation-wide Red Cross campaign opening Monday, November 3, and closing Armistice Day, November 11, were formerly announced tonight by Dr. Livingston Farrand, chairman of the executive committee of the American Red Cross. The primary object of the campaign, which will be known as the Third Red Cross Roll Call, will be to enroll members for 1920, but there will be in addition a general appeal for $15,000,000 to enable the organization to complete its war obligations at home and abroad. There will also be local appeals, where necessary, conducted by the chapters, to secure funds needed for local programs.

During the war there were two annual Red Cross campaigns for War Fund drive in late spring and a Christmas Roll Call for membership. The only campaign this year will be the one in November and in succeeding years there will be only an annual Roll Call in which the Red Cross will seek the re-affirmed allegiance of the American people expressed in dollar memberships. The money so derived will be used for American purposes and the approval thus received is to be regarded as a mandate to carry on future programs.

"The first task of the American Red Cross is, of course, to complete its obligations to American soldiers and sailors," said Dr. Farrand, in announcing the program. "The organization plans, as its future policy, to concentrate its efforts upon peace problems at home, unless America should again be involved in war or confronted by great disasters creating special emergencies.

"The Red Cross programs are primarily within the field of public health and will aim particularly at co-operation with official activities, federal, state and local. The Red Cross will seek not to dpulicate the work of established organizations, but will endeavor to supplement other agencies where they already exist or to stimulate and organize work where none exists."

The tremendous task of the American Red Cross in the war has, however, left a continuing obligation which cannot be fulfilled for some months to come, Dr. Farrand stated. In an amendment to the Army Bill, congress has prolonged the responsibility of the Red Cross abroad by authorizing Secretary of War Baker to transfer to the Red Cross such medical and surgical supplies and supplementary and dietary foodstuffs now in Europe as is not needed by the army abroad or at home "to be used by the American Red Cross to relieve and supply the pressingn eeds of the countries involved in the late war."

MOTORMAN NOT LOSING ANY TIME

"I don't think anyone ever suffered more from stomach trouble and bloating than I have. I had to lay off my run more than half the time and could get no help from prescriptions or medicine. One of my friends advised using Mayr's Wondarful Remedy, which I found to be the greatest remedy ever put on the earth. I have not lost a day since taking it. It is worth its weight in gold." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Sold by Maryville Pharmacy and druggists everywhere. (Adv)

New Force Starts Corn-Borer Cleanup

In the next few days the United States Department of Agriculture will open a field laboratory near Schenectady, N. Y., for the purpose of conducting a survey of European corn-borer conditions in that state. A force of about twenty-five inspectors will be thrown in the field and a complete survey will be made as quickly as possible. All material collected will be sent to the laboratory, the exact location of which has not yet been decided upon, for determination as to whether or not it is European corn-borer or native species. The infestation in New York is not nearly so widespread as that in Massachusetts, but it is none the less serious, and calls for energetic measures. Actual clean-up work can not be begun until after frost, but before that time information will be gathered to show what area the clean-up must cover.

"EARTH CURRENTS" ON RAMPAGE

Telephone and Telegraph Lines Affected by a Strange Power

Has your telephone failed to operate for a minute or two while you were talking today? Here's the reason offered by George Brinkley, district commercial manager of the Western Union here, says Monday's Kansas City Star.

Telegraph and telephone lines throughout the world are being affected by what is known as "earth currents," which attract the power from batteries and leave instruments "dead" for a few seconds at a time.

The strange currents which so far are unexplained by science, according to Mr. Brinkley, recur every two years. The "earth currents" were noticed last night by the telegraph companies here and were particularly noticeable today. They last from twenty-four to thirty-six hours after they first begin to affect the instruments.

J. W. Morris of St. Joseph was in Maryville today.

SLOW DEATH

Aches, pains, nervousness, difficulty in urinating, often mean serious disorders. The world's standard remedy for kidney, liver, bladder and uric acid troubles—

GOLD MEDAL HAARLEM OIL CAPSULES

bring quick relief and often ward off deadly diseases. Known as the national remedy of Holland for more than 200 years. All druggists, in three sizes.

Look for the name Gold Medal on every box and accept no imitation

Vocational Teachers Meet at M. U.

Columbia, Aug. 12.—The State Conference of Teachers of Vocational Agriculture met in Columbia last week. This was the second meeting of teachers of agriculture under the Smith-Hughes Act, to be held in Missouri. The opening address was made by President A. Ross Hill of the University of Missouri. Paul A. Chapman was in charge of the conference.

Feeding the Millions

INCREASING the food supply of the world is the most vital problem which man must solve. The burden of this solution rests heavily upon the shoulders of the farmers of America.

The service rendered by the Standard Oil Company (Indiana) in producing fuel and lubricants for the economical and efficient operation of farm machinery has made it possible for the farmer to cultivate a greater acreage, produce larger crops, and get them to market at least expense.

By maintaining its comprehensive system of distribution, the Standard Oil Company (Indiana) makes it possible for the farmer to get his requirements of petroleum products easily, regularly and quickly.

By virtue of this complete service on the part of the Standard Oil Company (Indiana), he may, literally, "make hay while the sun shines."

He is independent of the health or endurance of horses. He can plow, cultivate or harvest when these tasks should be done. He can have a complete cycle of activity, operating even by shifts, if necessary. He can plan his operations on a definite schedule to produce a steady, constant supply of farm products for you and your family.

Thus is illustrated how you benefit by the service rendered by the Standard Oil Company (Indiana) to the farmer. These are benefits accruing to the world at large which accentuate the usefulness of the Standard Oil Company (Indiana) as a public servant, and emphasize how completely it discharges its obligation as such.

Stop and Think

For one moment why you stay in the East, and pay big interest or high rent when you can go west and soon own a farm of your own.

The West offers greater opportunities to any man than the East and especially to the poor man or man of reasonable means. I started in this land business last fall and have made a success of it by doing an honest business and by selling on reasonable commissions. My business has grown until I have had to have a partner, so Mr. Newt Morgan of Parnell, Mo., is going in with me. I have sold three thousand six hundred acres of land; have just closed a deal on one thousand and fifty acres at forty-five thousand dollars.

This has been the dryest year ever known to the oldest settlers and yet it is wonderful to see what crops we have raised. Most of the corn will make 20 to 30 bushels to the acre. We have had plenty of rain since the third of July and all late crops will be good. I am located at Carpenter, Wyo., in the southeastern corner of the State and have lots of land listed with me for sale now. I have farms of all sizes from one hundred acre farms to five thousand acre ranches and I know I can save any man money that wants to buy a farm or ranch. So don't fail to see me before buying. I have sold eleven thousand six hundred dollars worth of hogs since last October. I fattened them from the corn that I raised last year on one hundred and thirty-five acres. My last car load of sixty-two head brought four thousand and two dollars. I now have nine hundred and sixty acres of land. When I left Maryville, Mo., three years ago last October I was not worth five hundred dollars, today I am worth at least twelve thousand dollars. Now judge for yourself whether this is a good country to make money in or not. Then come and have a talk with me at the Nodaway County Fair and see samples of what we have raised this year, then make up your mind to come back with me and buy a farm or ranch and you will make the best move that you ever made in your life. For further information se me at the Fair August 11 to 16.

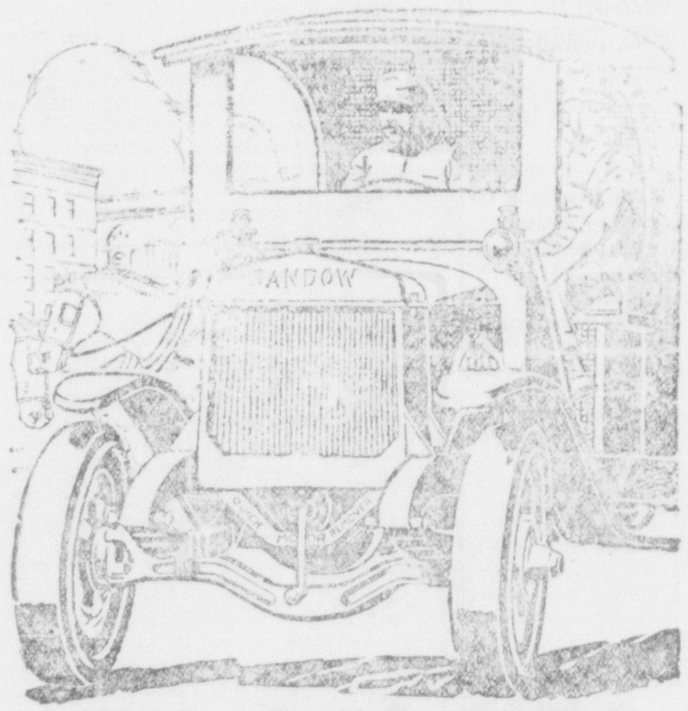
Reducing the Cost of Living

"Ship by Truck"

One of the things that will have a big influence on this question is the new national movement to



SANDOW TRUCKS

It will make it possible for farmers to market more produce, and also to market smaller quantities that are often wasted because the amount does not warrant hauling to a railroad and shipping on cars.

If "SHIP BY TRUCK" methods will reduce the cost of operation for others and bring more food to the world at less cost, it will also make more money for the producer of food, by cutting his hauling expense.

There is no doubt that farmers will haul by truck, and that many of them will haul direct to St. Joseph, Kansas City or Omaha, and the only danger is that they will experiment with trucks too small and light for that kind of work.

Sandow Trucks

are built for long heavy hauls over all kinds of roads. Their great strength and capacity for overloading make them ideal for handling farm hauling.

The extra trussed frame and motor rocker block make them able to take rough roads without danger of breaking or shaking to pieces.

In fact, the Sandow will stand up better under the kind of use a farmer wants than other trucks of the same class, and it will be the best economy to buy such a truck in the first place.

We are using a Sandow every day in much the same kind of work you want one for and on all kinds of roads as well as on pavements and we can show you just how it is running and just how it is handling the work.
